NP Q2 Mailing List

Dear Viv

Don't have a PDF reader/ability to amend docs so please forgive the scans attached. There are two new addresses, Emma at Henley House and the Willows Summerhouse with 2 occupants – a planning application a couple of years back you might remember.

Another query. Are 3, 4 and 6 Sheldon Corner still occupied/there as there is no record on the Electoral Register?

Beside each address are the number of occupants eligible to complete a questionnaire. Including 2 each for the flats we need to despatch 161 questionnaires. This goes up by 6? If the Sheldon Corner addresses are included.

Below, I have extracted the addresses of the flats on the Bristol Rd. nos 1 to 7 for your inclusion.

Any queries come back.

Regards

Howard
